

## Validation Engineer

Hyde Engineering + Consulting, Inc. (Hyde) mixes the incredible benefit offerings of a big company with the close knit, flexible and challenging environment of a smaller business. Our engineers develop their skills in an environment that values their individual contributions.

We are looking for experienced validation engineers to join our top-notch team and provide support to clients across the country.

### **Core Competencies:**

- Manage biopharmaceutical/pharmaceutical validation projects of varying scope and complexity
- Provide mentoring and support to staff pharmaceutical engineers
- Consult with clients regarding technical approaches to projects
- Develop Masterplans, Installation, Operational and Performance Qualification protocols
- Execute approved protocols and coordinate with other functional departments
- Analyze the qualification data with respect to pre-defined acceptance criteria
- Generate and resolve protocol discrepancies or deviations, as appropriate
- Develop final protocol reports
- Develop and maintain internal quality systems and procedures

### **Qualifications:**

- BS degree or higher in related Engineering or Scientific discipline, or significant related experience
- Minimum 2-10 years' industry experience related to validation, cleaning validation and GMP drug manufacture
- Experience managing projects and personnel
- Strong verbal and written communication skills
- Strong computer knowledge including Microsoft Office products
- Willingness to travel

### **We offer a terrific benefit package:**

- Competitive Salary
- Flexible Work Environment
- PPO Health Care Plan (HSA or Consumer Advantage) - Premiums 100% Company Paid
- Dental Plan (Premiums 100% Company Paid)
- Disability Plan (Premiums 100% Company Paid)
- Flexible Benefits Account
- Matching 401K Retirement Plan (50% match up to the Federal legal limit)
- Bonus Program
- Paid Holidays
- Paid Time Off Program (PTO)

Hyde is dedicated to bringing people together to advance their lives. We are fully committed to our employees by offering competitive salaries, excellent employee benefits, relocation assistance, and personal development, all in a company that feels like a family.
